Reference Letter for Michael Balsiger

This is a reference letter for Michael Balsiger, who was employed as a Web Developer at YouRehab AG from 2015-07-01 to 2015-10-31 in a fulltime position and from 2015-11-01 to 2016-04-30 at 80% (unlimited duration contract). This letter has been produced due to his termination of the employment contract.

Mr. Balsiger has worked at several tasks of our interactive rehabilitation training systems:

- Software development using multiple technologies (EmberJS, Ruby, Java, C#, JavaScript, XML/CSS/HTML5, JQuery, PHP, etc. etc.)
- Optimization of previously existing programs
- Design and implementation of new menu system (Prototype)
- Connection between Sensor and Android device using Bluetooth
- Parser for sensor data stream
- Tracker prototype for Faros sensor
- System testing and bug fixing
- Design and implementation of new games for Android devices for the H2020 project Women-up

Mr. Balsiger is a highly motivated employee, who works very independently and performs his work to our best satisfaction. Apart from his excellent technical skills, he is a fast learner and was a productive team member from the first day of his employment.

He works as a team player and always consults with people and shares his knowledge with others. His interactions with his colleagues and supervisors are always friendly and polite. Mr. Balsiger terminated his contract to start his own business and we wish him all the luck he will need in his new venture.
